Screencast AV

Now you can connect your home theater equipment to your HDTV—and keep all the devices out of sight.

Part # F7D4510

UPC: 722868834848

Now you can connect your Blu-ray™ player or gaming console to your HDTV—and keep the device out of sight. The ScreenCast AV Wireless AV-to-HDTV Adapter is a great way to create a clean, elegant entertainment environment, with no need for a professional installer, no need to run cables through walls. It's ideal for Wall-Mounted HDTVs, and allows you to store your devices up to 30m* away, even in another room.

High Quality Picture and Sound

Enjoy full-HD 1080p resolution,† 3D video, and up to 5.1 channels of surround sound. † It's perfect for enjoying high-resolution movies and games in a seamless entertainment experience, without the tangle of wires that often accompany high performance devices.

30m Range

Store AV equipment up to 30m* away—in a cabinet, even in another room.

Total Control
